TEUTLOFF Competence Centre
for Renewable Energies
Pömmelter Straße17
39249 Barby

EXCURSIONS

ENERCON GmbH
August-Bebel-Dam20m-3 0
39126 Magdeburg

RegenerativKraftwerke Harz GmbH & Co. KG
Dipl.-IngU. Lrich Narup
Kirchplatz 241a
38836 Dardesheim

Q-Cells SE
OT Thalheim
Sonnenallee 17 - 21
06766 Bitterfeld-Wolfen

Sovello AG
OT Thalheim
Sonnenalle1e4 -30
06766 Bitterfeld-Wolfen

ACCOMMODATION

At a Central hotel in Barby

Group of Companies
SINCE 1989

KEY CONTENTS

Photovoltaic Strengths and weaknesses of different systems
dimensioning, efficiency
fault diagnosis, service, maintenance
cost – use analysis

Excursion : Solar Park

Wind power possibilities of use
physical influencing variables
grid connections
installation, commissioning and maintenance
cost – use analysis

Excursion : using the example of a wind park

Energy - efficient systems interaction of different systems
inclusion of geothermal systems
cost – use analysis

COST PER PARTICIPANT: 4.900€
